REMARKS

The whole number of different pupils registered during the year was 198.

A partial supply of new reading books have been put into the schools as old ones were badly torn as were some other books.

The cost of repairing the Rowentown school house caused the length of the year to be shorter. This should have come out of last year's appropriation.

Each school in town in the past year has had the same length. The fall and winter terms were put together.

Respectfully,

LEONA C. FOSTER,	} School Board	
NEAL D. JOHNSON,		} of
JOHN P. CURRIER,		} Wentworth.
